## 2020 FLU CLINIC SCHEDULE

The Kings County Health Department will offer influenza vaccines at the locations listed. All persons 6 mos. and older should get vaccinated each year. The following groups are especially encouraged to be vaccinated:

- Children 6 months to 5 years
- People and family members of people with Serious Medical Conditions such as:
  - Asthma
  - Chronic diseases of the lungs, heart, or kidneys
  - Compromised immune systems
- Pregnant women and their family members
- People older than 50 years
  - Family members of infants under 6 months
  - Health care workers
  - American Indian/Alaska Natives
    - Those who are morbidly obese

**WE ENCOURAGE THOSE WHO ARE UNINSURED / UNDERINSURED TO TAKE ADVANTAGE OF THE CLINICS PROVIDED**

**ALL LISTED CLINICS WILL BE FREE OF CHARGE**

## CALENDARIO PARA LAS CLINICAS DE LA GRIPE 2019

El Departamento de Salud Pública del Condado de Kings ofrecerá vacunas contra la influenza en los lugares indicados. Todas las personas de 6 meses y mayores deben vacunarse cada año. Los siguientes grupos son especialmente recomendados a vacunarse:

- Niños de 6 meses a 5 años
- Personas y los familiares de las personas con condiciones médicas serias tales como:
  - Asma
  - Enfermedades crónicas de los pulmones, el corazón o los riñones
  - Sistema inmunológico débil
- Mujeres embarazadas y sus familiares
- Personas mayores de 50 años
- Miembros de familia que tengan bebés menores de 6 meses
- Trabajadores del cuidado de la salud
- Indios Americanos / nativos de Alaska
- Personas con obesidad mórbida

**RECOMENDAMOS A LAS PERSONAS QUE NO TIENEN SEGURO MEDICO O SEGURO MEDICO QUE NO CUBRA LA VACUNA, APROVECHAR DE LAS PRÓXIMAS FECHAS**

**TODAS LAS CLÍNICAS LISTADAS SERÁN GRATUITAS**
