2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Island School is proud of its history and tradition of being an outstanding school. The staff is dedicated to providing all students with instruction that is challenging and meets the State Standards as well as the Next Generation Science Standards. Our motto "Strive for Excellence" is emphasized in our academic programs as well as our character education program, Character Counts! We are committed to providing a safe school with a positive learning environment for all of our students. We have precautions and protocols in place to keep our staff and students safe and healthy with CDPH guidelines. We have added additional social and emotional support for our students and staff with either a school psychologist, behavior aide, and licensed family and marriage therapist available on campus at least once a week. We appreciate the support of our parents and community. We were honored with being named a California Gold Ribbon School June 2016 and California Distinguished School June 2014. Mission Statement: The Island Union Elementary School District is dedicated to providing a positive learning environment and a quality educational program that will develop the inherent capabilities of all students, help prepare them to be successful in high school, and be good citizens. To achieve this mission we strive to follow these goals. 1. The District will create a safe and positive school climate, recognize individual differences, and encourage each student to reach his/her full potential. 2. The District will provide strong instructional programs which are revised in a timely manner to ensure continued student achievement based on the changing needs of students. 3. The District will develop and maintain strong school, parent, community, business, and interagency partnerships.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Island Elementary School provides a safe and clean environment for students, staff, and volunteers. The school facilities were built in 1958 and currently include the library, multipurpose room, staff lounge, nine permanent classrooms, ten portable classrooms, and three large playgrounds.

Maintenance & Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication 100% of the school's restrooms were in good working order. We added three new water filling stations. We added a portable building restroom for adults due to the Modernization project for the current library and staff room becoming two classrooms. We added isolation rooms for students/staff that may show signs of COVID-19 to stay while awaiting to be taken home. We continue to work to keep the gophers and stickers to a minimum. The table displays the results of the most recent school facilities inspection.

Cleaning Process:

The district governing board has adopted cleaning standards for the district. The principal works daily with the maintenance and custodial staff of three to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The School Board encourages parents to become an active partner in their child's education. However during the COVID - 19 pandemic and restrictive requirements from the CDPH and our CA Governor we are not allowing volunteers on campus this year. The parents of Island Elementary School students support the school in the following ways:

2021-22 Opportunities for Parental Involvement

- Volunteering in the classroom (when able to return on campus regularly)
- Serving on the School Site Council (SSC)
- Serving on the Migrant Advisory Council, English Advisory Committee (ELAC)/District English Advisory Committee (DELAC)
- Chaperoning for study trips
- Participating in the Title 1 meeting and responding to the Title 1 survey
- Participating in the Local Control Accountability Plan meetings
- Join and participate in the Boosters' Club-Parent clubs are organized for the purpose of assisting and promoting activities for the educational, social and physical welfare of pupils in the school district.
- Monitoring the playground
- Participate in the many activities provided by the school: Annual Variety Show, monthly mileage club, Grandparent Event, Awards assemblies, Winter Program, Back to School Night, Open House (spring), and parent conferences.

Parents stay informed on upcoming events and school activities through our district website: www.island.k12.ca.us, dojo, flyers, letters, school newsletters, teacher newsletters, SchoolMessenger(automated telephone message delivery system), and Aeries (online student information system). Teachers utilize: Remind app, Dojo, as well. Contact the school office at (559) 924-6424 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	1.33	0.72	1.33	0.72	3.47	0.20
Expulsions	0.00	0.24	0.00	0.24	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The safety of students and staff is a primary concern at Island Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Additionally we have our COVID -19 Prevention Plan and our Safe Schools CDPH checklist located on our website. The principal and the School Safety Committee update the School Site Safety Plan each year in February and then share any changes with the entire staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire drills are conducted each month, lockdown drills and earthquake drills each semester.

Student supervision is provided by classified staff before school, during recess, and after school. Yard supervisors monitor students during the lunch period. All visitors are required to adhere to the following rules:

- Must show a valid ID to be scanned in our Raptor system - receive a sticker
- Sign in at the office
- Do not go directly to a classroom
- Obtain a visitor's badge
- Wait for office personnel to direct you to the class
- Do not confront a teacher or interrupt a lesson

Volunteers must:

- * live scan clearance
- * TB test clearance

2020-21 Types of Services Funded

Island School utilizes funding to support the variety of needs of our students. Some of the services include instructional aide support for students, and programs like: Orton Gillingham, Step Up to Writing, Write Bright, Kagan student engagement strategies, online support such as: IXL, Sum Dog (ELA & Math), Accelerated Reader, Moby Max (ELA and Math), and Math in a Flash, Illuminate assessment and data. All of which support our teaching and learning within each classroom. Additionally we purchased 1:1 chrome books for 3rd-8th grade students and 1:1 ipads TK-2nd grade. We implement a schoolwide intervention block four days a week to meet the targeted specific needs of students. We had tutoring after school in October to give extra support to students to "catch them up". We have our Success Center using EBLI with 4th - 8th grade intervention during and after school for students struggling in literacy.

Professional Development

Island Elementary School District believes that Staff Development is a critical component in the academic achievement of, and in meeting the many needs of students. In order to maximize student learning, staff members must be continuously learning and improving their skills. Staff Development addresses the individual needs of teachers as well as school and district concerns. Each school year various opportunities for staff development were offered during all day pre-service training days, inservice trainings, release time from class for instructional planning/training, after school trainings, during our early release professional learning community afternoons by which professional development was delivered. Topics for staff development included:

- Professional Learning Communities – Why are they important? How to make the most of your time spent together to build a stronger community.
- Professional Learning Community (PLC) training utilizing student data to drive instruction. Creating living documents to store out curriculum planning.
- ELA professional development with our new curriculum.
- Online learning: Zoom, Google Meets, Showbie

*Kagan Strategy training - training teachers and instructional aides in engaging students, and assisting them in a variety of cooperative learning structures to assist students in understanding and learning the content

- New Social Studies curriculum training with the publisher of each grade level.

* Illuminate training to help support the needs of the teachers to ensure maximum utilization of what Illuminate offers.

- New State Standards-based curriculum and instruction in English Language Arts
- New State Standards-based curriculum and instruction in Mathematics
- Strategies for teaching English Language Learners
- Integration of technology into the classroom
- Orton Gillingham review
- Google Classroom training
- Next Generation Science Standards introduction

* Positive Discipline training for teachers and instructional aides.

* Social and Emotional support training for teachers and instructional aides to support student needs.

In addition to the ongoing professional development opportunities offered, the District participates in the New Teacher New Teacher Induction Program which is designed to improve the education of students and increase the classroom teachers' efficacy and capacity in delivering standards-based instruction.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
