

**Island Union Elementary School District
Chromebook & iPad Device Insurance**

If a parent chooses to purchase the insurance, IUESD requires that the non-refundable insurance be purchased prior to the checkout of the Chromebook to your child. The insurance cost is \$50.00 annually for each Chromebook. This gives you **half off** whatever the cost may be. For example: The screen breaks – \$140 without insurance, \$20 with insurance. If a student withdraws from IUESD and then re-enrolls later in the current school year, the coverage purchased at the student’s initial registration will be reinstated along with the number of claims made prior to withdrawal.

Lost or Intentionally Damaged Device and Accessories:

A Chromebook or any of its accessories that are lost (whereabouts unknown) or intentionally damaged is the responsibility of the student and parent involved in the loss of property. The user will not be given another device or accessory to use until the replacement cost of the lost/damaged device or accessory is paid to the school.
