

ABOUT ELO-P

The Expanded Learning Opportunities Program (ELO-P) provides funding for afterschool and summer school enrichment programs for transitional kindergarten through sixth grade.

“Expanded learning” means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences.

OUR MISSION

It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year.

Where is ELO-P offered?

Island Union Elementary
7799 21st Ave.
Lemoore, CA 93245
(559) 924-6424

The Island Union School District is dedicated to providing a positive learning environment and a quality educational program that will develop the inherent capabilities of all students, help them prepare them to be successful in high school, and be good citizens.
